

CHARITY REGISTRATION APPLICATION

Thank you for participating in the 2012 Fayette Charity Classic! Your charity has an opportunity to benefit from a significant portion of the event proceeds – without doing all of the work required to put on your own event. This is a great opportunity to increase awareness for the significant role your organization plays in our community. It's easy to become a participating charity and reap the rewards – the more people you get to register for, or sponsor, the event – the more your charity will receive!

Non-profit Eligibility Requirements – It's so simple!

- Must be a non-profit, 501.c.3 organization whose primary address is registered in Fayette County, GA.
- Must submit a copy of your organization's IRS Determination Letter.
- Submit completed, signed Charity Registration Application.

Your Commitment – Is unbelievably easy!

- Provide the Fayette Charity Classic (FCC) Organizing Committee with a minimum of two (2) volunteers to assist with the event. The FCC Volunteer Coordinator will contact you and/or your volunteers for assignment(s) training schedule(s). You will receive an email asking for volunteer contact information.

Your Benefits – Are incredibly great!

Each registered participating charity will receive:

- \$20 for every paid \$30 paid entry fee with completed, signed Official Entry Form that designates your registered charity as a recipient of proceeds as described in this application. A charity designation line is on the Official Entry Form. Entry Forms, Sponsor Packages, and Official Event Website (www.FayetteLifeEnrichment.org) will include an updated listing of participating charities.
- 20% of each paid sponsorship with completed, signed Sponsorship Contract that designates your registered charity as a recipient of proceeds as described in this application. A charity designation line is on the Sponsorship Contract.
- FREE exhibitor's space at the race day Expo –\$50 value! (table not included). Space assignments and drop-off/pick-up information will be provided prior to the event.

IMPORTANT! Your organization's name must be written on each Official Entry Form and/or Sponsorship Contract to receive credit for each registered individual or sponsors. If no designation, proceeds will go to the event host organization.
